Reasons for comment:	
Comments:	I object to the prospective development of farm land between School Lane and Taylor's Lane Higham. It would cause dreadful congestion to an already congested road during School hours. The size of the school would become inadequate. The village would become congested as the village roads in general are inadequate. It also sets precedents for further farmland in the village to be built over. Green Belt is what it says GREEN BELT, not for building on! We cannot afford to keep losing farm land to houses!!!

Kind regards
