Reasons for comment:	
Comments:	I object to this development as it will destroy the rural countryside between Meopham and Sole Street, seriously endangering the village nature of both. Valuable agricultural land will be lost, and I believe brownfield sites should always be used for development first. I also do not believe the local infrastructure can cope with this. Rail services, bus services, parking at local shops and capacity at local doctors' surgeries are already stretched. The increase of traffic on our local roads is also a worry, especially when road closures force traffic on the narrow side roads and lanes. The lanes with their dog walkers, horse riders and cyclists will become dangerous with the increased traffic flow.

Kind regards
