Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Yet another application by this group of travellers to install one mobile home, one touring caravan and one day room which will no doubt increase to several more mobile homes, touring caravans etc once they have installed the first ones, without consent and against planning regulations. This site is totally inappropriate for these travellers being located on a narrow lane, mainly single track. When other travellers have, again without planning permission, moved in, they have done a huge amount of damage to the hedgerows, felled trees, etc. permission should be refused and appeals should be limited.

Kind regards
