Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object because this will add significant population to an already overstretched community where the local doctors surgery has closed. School lane is a busy road with parents taking their children to the primary school and the current infrastructure doesn't support the last amount of additional traffic which 50 houses will undoubtedly produce. In addition we should be saving our greenbelt and public footpaths one of which would run through this development.

Kind regards
