Dear Sirs

Re 15 Croftside, Vigo, Gravesend, DA13 OSH
Works to Protected Tree(s): T1 and T2 Hornbeams to be felled.
T3 Hornbeam to be loped/felled. Removal of overhanging branches
from hornbeams on adjoining properties. Ref: GR/2025/0917

The Society would wish to comment that, in its view, the trees make a modest contribution to the street scene and may need some management.

Yours faithfully

Mrs P Lippiatt
Hon. Secretary
