Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I moved to this area 32 years ago and have seen the recent development around Gravesham absolutly ruin this area. The traffic congestion, the litter,the antisocial behaviour. The services are at breaking point. to get a doctors appointment, the queue in the local chemist,local parking is almost impossible at shops now. Access to Wrotham Road is dangerous because of volume of traffic,public services are inadequate for local residents now. I honestly think the people that make these decisions have no comprehension of the impact they have on the people that live in the area and have done for years.I am happy for change but the right change, not a change for convenience and greed

Kind regards
