Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	NO NO NO NO NO. What is this council even doing considering such a hideous and damaging housing application on beautiful, GREEN, open spaces. Nobody in the village wants more housing, we have enough. There is no room for more residents at the local school, doctors or more cars on our congested roads. Stop this terrible and selfish application where a few benefit financially and the majority of us suffer. I object in the strongest terms about more overpriced, thrown up houses of poor quality being built. Listen to the local residents for a change and object this application.

Kind regards
