Reasons for comment:	
Comments:	I object to this application on the grounds of it will ruin our village and harm the local wildlife and green open spaces. We live in a quiet and beautiful part of Gravesend and do not want it to be any larger than it already is. We have no room for the extra children at the local school and struggle to get an appointment at the doctors.. The roads are already in need of serious attention before any lorry or future residents start to use them. Our green spaces should be protected from developers at all costs and our wildlife have smaller spaces to breed the more these ridiculous estates get approved by councillors not listening to the local residents.

Kind regards
