To: **Colin Tuttle
C/O Mr Dan Butler, Architechnology. Design
179 Edwin Road
Rainham
Gillingham

United Kingdom**

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **GRANTED PERMISSION** for development of land situate at:

**28 Huntingfield Road
Meopham
Gravesend
Kent
DA13 0EZ**

and being **Demolition of existing side extension and erection of single storey side extension to provide residential annexe**. Your application dated 21st July 2025 is permitted subject to the following:-

1. The development hereby approved shall be begun not later than 3 years following the date of this decision.

Reason: In pursuance of Section 91 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out in accordance with the following schedule of approved plans:

Householder Application for Planning Permission form;
Drawing no. 01 Existing and proposed block plans, location plan and 3D visuals received 11 September 2025;
Drawing no. 02 Existing and proposed layouts and elevations received 11 September 2025;
Planning Statement; and
Email from the agent received 10 September 2025.

Reason: For the avoidance of doubt and in the interests of proper planning.

3. Notwithstanding the details included on the application form and approved plans the materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used in the existing dwelling.

Reason: To ensure a satisfactory visual relationship between the existing and the new development in accordance with Policy CS19 of the Gravesham Local Plan Core Strategy (2014).

4. Any window serving a bathroom/wc/ensuite must be fitted with obscure glass to a level equivalent to Pilkington Level 3 or above (or the nearest equivalent standard) only at all times.

Reason: To prevent undue overlooking of the adjoining residential property in accordance with Policy CS19 of the Local Plan Core Strategy 2014.

5. The annexe hereby permitted shall be occupied only by persons related to a resident of the main dwellinghouse at any time, and in a manner in conjunction with the original dwellinghouse at 28 Huntingfield Road, as a (combined) single planning unit and shall not be used, let or sold at any time as a self contained, separate unit of living accommodation and no business, commercial or industrial use shall be carried out.

Reason A separate unit of accommodation would be inappropriate on this site and in accordance with Policies CS02 and CS19 of the Gravesham Local Plan Core Strategy (2014).

6. Notwithstanding the provisions of Part 2, Class A of Schedule 2 to the Town and Country Planning (General Permitted Development) (England) Order 2015, as amended (or any provision equivalent to those classes in any Order revoking or re-enacting that Order) no gate, fence or other means of enclosure shall be erected or constructed on the site which would have the effect of subdividing the existing residential curtilage.

Reason To safeguard against subdivision of the existing single residential curtilage that would facilitate independent occupation of the extension, as a separate unit of accommodation would be inappropriate on this site, in accordance with Policies CS02 and CS19 of the Gravesham Local Plan Core Strategy (2014).

7. The internal door connecting the annexe extension and the existing dwelling shall be formed before the extension hereby permitted is first occupied and shall be retained in an openable condition at all times. For the avoidance of doubt the extension hereby permitted shall not be used, sold, parted, let or exchanged as a separate unit of accommodation at any time.

Reason To safeguard against subdivision of the existing residential dwelling with an independent unit of accommodation, and in accordance with Policies CS02 and CS19 of the Gravesham Local Plan Core Strategy (2014).

8. The existing vehicle parking area on the site frontage shall be kept available at all times for such use, and no development, whether or not permitted by the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended), or any provision equivalent to that Order in any statutory instrument revoking and re-enacting that Order, with or without modification, shall be carried out on the site in such a manner or in such a position to preclude its use for vehicle parking.

Reason: That the development, without the retention of the existing vehicle parking area, is likely to lead to car parking inconvenient to other road users and detrimental to amenity and in accordance with Policy CS11 of the Gravesham Local Plan Core Strategy September 2014 and Saved Policy P5 of the Gravesham Local Plan First Review 1994.

2 BUILDING REGULATIONS AND PARTY WALL ACT

Nor does it override any private rights which any person may have relating to the land affected by this decision, including the provisions of the Party Wall etc. Act 1996.

3 DEVIATION FROM APPROVED PLANS

It is possible that any proposed deviation from the approved plans could be classed as a 'material' change requiring a further application/permission. In the event that any change is proposed, applicants are advised to seek advice from the Local Planning Authority [as proceeding without the necessary permissions could nullify this permission].

**NOTIFICATION TO APPLICANT**

## **APPEALS TO THE SECRETARY OF STATE**

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application\*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **For further information regarding Appeals and to make an application please click the relevant link:**  
<https://www.gov.uk/appeal-householder-planning-decision>  
<https://www.gov.uk/appeal-planning-decision>
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

### **\*Householder applications**

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- (b) an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- (i) an application for change of use;
- (ii) an application to change the number of dwellings in a building.

## **PURCHASE NOTICES**

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is

situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
