The grounds for this determination are as follows:

- 1 The development works to form a vehicular access and hardstanding to this dwelling will involve the construction of a hardstanding in the form of permeable block paving across a grassed highway verge outside the curtilage of a single-family dwellinghouse. Such works do not fall within the scope of the permitted development provisions as prescribed by Article 3 of and Part 1 Class F (a) of Schedule 2 to the Town and Country Planning (General Permitted Development (England) Order 2015, as amended, and therefore planning permission is required .
