Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There has been subsidence at No 7 The Turnstones in the past. If the land is disturbed it may cause a problem. There is not enough parking in this road and building 2 houses on this site will make it worse. When in rains a lot of water collects in the land beside the bungalow. There is an access road opposite the property which could cause an accident if there are more cars. This application has been rejected several times in the past. I object to this build.

Kind regards
