Comments Details

Commenter Type:	Councillor
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am objecting to this application as it contravenes the council's policy to protect the greenbelt. This scheme would represent overdevelopment and the inappropriate development of a site in land classified as greenbelt. Many residents have been in touch with their ward councillors to object on grounds of inappropriate use, highways concerns and the fact that this application would encroach on the greenbelt without meeting the test for special circumstances. The council should therefore be resolved to respect the strong views of the majority of local residents and reject this application.

Kind regards
