Dear Sirs

Re 'Tawahi', Telegraph Hill, Higham, Rochester, ME3 7NW
Application for a Lawful Development Certificate for the erection
of a two storey rear extension, front porch, garage, workshop, a
summerhouse and gym. Ref: GR/2025/0350

In the Society's view the proposal constitutes a significant amount of development and should be
the subject of a full planning application with appropriate conditions.

Yours faithfully,

Mrs P Lippiatt
Hon. Secretary
