Reasons for comment:

Comments:	I object to this as living on this road for over 30 years and seeing the accidents outside my home the road is far to dangerous and narrow for the amount of vehicles using this with the 700+ houses at the parade in Meopham it will be far to much traffic for the road I have young children and it's already to dangerous pulling out for the school run it's also to narrow for the turning as a school bus was hit with a tractor because he couldn't see to get out the over crowding at the primary school will be ridiculous let alone if the main road is closed the traffic around the back lanes is to much for the roads as this jams up as it's the only way through to each end of the village
