Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Without infrastructure I can't see how this is going to work for Meopham. The schools are already oversubscribed and the doctors is already difficult to get an appointment with. There will be even more traffic on the roads and given how often the A227 is shut for one reason or another this will impact the environment and countryside around us.

Kind regards
