Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to the proposal. There is no infrastructure to support all of these extra homes. It will be harmful to the environment and local wildlife, protected species and biodiversity. Loss of green space will negatively affect ecological corridors essential for wildlife movement. Increased traffic will lead to congestion and also higher risks for accidents on roads which are already under strain. There will also be an increase and noise pollution. This is a village not a town.

Kind regards
