Reasons for comment:	
Comments:	<p>First and foremost, this is pure greenbelt land and has not been released from its boundary; it is and should remain as valuable farmland and is core to preventing urban sprawl.</p> <p>Second, it dangerously enters onto rural Green Lane, which is inadequate and dangerous as it stands and serves as a cut-through from the A2 and narrows significantly before joining the A227. If every household accesses 1.5 vehicles, that's 225 additional vehicles additional demand</p>

Kind regards
