Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This development will cause major disruption to the 2 schools which lie next to it. The road is narrow and leads up to an already very busy junction and main road, the extra traffic generated will only add to this. Current infrastructure is unable to support to it. There is no evidence to support the claim that this is 'grey belt' land.

Kind regards
