Reasons for comment:	
Comments:	Supporting infrastructure like roads need to be widened with this plan to accommodate the potential extra traffic. This is not a good area to be doing this and because on of the roads like Green lane for instance, which has traffic diverting down from the A2 through Cobham, Sole street which happens regularly! This is a bad position for this site to be and also it would join Meopham and Sole street together the only division would be the Railway line. I object to this plan as this land should be kept for agricultural purposes only!

Kind regards
