Reasons for comment:	
Comments:	<p>destruction of high quality greenbelt land , adding to urban sprawl around a known accident hotspots in an area frequented by young families and children and shoppers alike</p> <p>if Meopham is going to be turned into a town the only way this proposition should be considered is with a significant re -routing of Wrotham road to the left heading north , creating a safe entry/exit road onto the estate , cutting the corner off past the school creating safe and sufficient parking for the immediately outside school and shops without having to cross a dangerous a road a cost of which should be born by any future developers</p>

Kind regards
