| Comments: | <p>My objections to the site are as follows</p> <p>Intrusion on a green belt area which will impact human beings and wild life for years to come</p> <p>No constructive infrastructure to support the numbers Each dwelling will contain at least two people and possibly one car which will bring a burden on the local facilities</p> <p>At present the only surgery not coping</p> <p>Local schools oversubscribed</p> <p>Transport links failing</p> <p>Local hospital at the moment has a six-7 hour wait in A&E and will have all the residents from the flats and houses built opposite it those at Ebbsfleet and citizens of Bexley which does not have an A&E</p> <p>The noise and constant traffic on the narrow dangerous road at Camer park will make it impossible to negotiate crossing the road and the heavy vehicles a danger for anyone walking on the pavement</p> <p>Quality of life will diminish and a quiet village will be another urban sprawl</p> |
| Kind regards | |
