Reasons for comment:	
Comments:	I object strongly to any permission granted to the site being used as a travellers camp site. I would like to know why this is even being considered when there is a court order refusing the site . I would also like to know why nothing has been done about the disgraceful treatment of all of our beautiful trees which were chopped down in order to be able to site the 8 mobile homes (which have no permission) . It seems as though no one is doing anything about this situation that is causing a lot of stress to so many people .

Kind regards
