Reasons for comment:	
Comments:	<p>I personally have seen 3 accidents at the exit point to the parade of shops in the last 18 months. Absolute madness to add another junction between there and Green lane. Someone will be killed, dangerous for school children walking to school.</p> <p>Loss of prime greenbelt belt land, loss of habitat of badgers and bats.</p> <p>Wrotham road is at a stand still way past Green lane to Meopham Secondary school daily.</p> <p>Wrotham road will become a rat run once the Lower Thames crossing happens.</p> <p>The area is already struggling with traffic and road closures.</p> <p>More traffic and pollution next to several schools.</p> <p>I note a traffic survey was conducted on Green Lane while the road was closed for several days !</p>

Kind regards
