Address:	[REDACTED] Luddesdown, Kent

## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The Longfield Rd is already heavily congested with insufficient road structure to cope with the existing traffic. Doctor's, shops, schools and public transport services are also massively overstretched. I am also concerned about the proposed development's close proximity to both of the nearby schools (The Helen Allison school and Meopham Academy) making the pupil's access even more dangerous than it already is. The detrimental implications for the natural habitats of wildlife, including badgers and other protected species, are also a huge consideration. I strongly object to this application.

Kind regards
