Reasons for comment:	
Comments:	<p>1) NO building should go ahead on Green Belt even if land is classified as "grey belt" until all brownfield sites in Gravesham borough have been be fully utilised.</p> <p>2) Building here is unsustainable as local infrastructure cannot cope with increased population, lack of sufficient capacity at schools &amp; doctors. Their is a risk to drainage and wider flooding in area. The transport impact will increase causing traffic congestion, the area cannot cope with this amount of homes built. This build needs to stop due to preventing merging of neighbouring villages.</p> <p>3) The environmental impact will be harmed, loss of biodiversity loss of wildlife habitats, removal of mature trees/hedgerows</p>

Kind regards
