Reasons for comment:	
Comments:	<p>I live in Meopham</p> <p>I wish to strongly object for the following reasons</p> <p>A/ The traffic is crazy as it is, all along the A227. it is a rat run when trouble on A2 or M20. It is constantly gridlocked when they are roadworks and repairs which is very very common.</p> <p>That junction of A227 and Longfield Rd is a a danger spot already and you want to add another junction from the development !</p> <p>Parking is a nightmare especially during school times.</p> <p>B/ it is green belt / prime agricultural landwe need to grow food</p> <p>C/ We walk around here all the time . Its beautiful and you want to concrete it over. You are changing the character of this lovely village. We do not want a town !</p> <p>D/ there is all sorts of wildlife here and the fields act as a natural drain . where is the water going to go .</p> <p>E/ the services ie gp's schools etc are full.....</p> <p>F/ there are so many of these developments popping up in planningall these together will destroy the area.....but this one is the craziest so far</p> <p>lastlywhy are we building here ? who has asked for itits the developers because they can make more money here.</p> <p>build on brownfield sites and grey beltthis is green belt.</p> <p>the houses wont be cheap....you will need a carnobody travels by train and walks to a train station .</p> <p>Kent is just going to become one big housing estate with no little villagesits</p>

character is being destroyed by greedy developers.
make them build to regenerate towns and where jobs are.

Kind regards
