Reasons for comment:	
Comments:	<p>Inconsistency with Green Belt Purposes and Local plans this is not a truly sustainable location, therefore it would weaken the wider green belt integrity.</p> <p>*We need to Prevent Urban Sprawl</p> <p>*It will provide Loss of Character to our village</p> <p>*There is not enough infrastructure to cope, already too much traffic on A227 and neighbouring roads (Green Lane), with this development you are looking at about 900 more vehicles. This A road will not cope! Doctors and schools are to capacity. These roads are already used as a cut through run for A2 traffic when problems arise, this will happen more when nearby Thames Crossing is under construction.</p> <p>*Environmental and Eco Harm, felling existing trees (NPPF),loss of wildlife</p>

Kind regards
