## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I just think it's a great idea. Particularly when it comes to young people and first-time buyers. The fact that they're looking to offer 50% affordable housing is really good. I just think it's a great idea. The biodiversity input should go hand in hand with the housing as well.

Kind regards
