Reasons for comment:	
Comments:	<p>The whole point of living in a village is that it is pleasant and life is comfortable. This application completely ruins that idea. Since moving into the village 41 years ago, the roads have become busier and walking around the village is no longer a pleasant experience. In a time when we are all being encouraged to walk more and exercise more. Gravesham council seems determined to make it as unpleasant as possible to do so.</p> <p>This development and the others planned is totally out of keeping for a village environment. The answer is not to use green belt land.</p>

Kind regards
