## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This application is totally out of touch with a village environment. Small developments are ok but huge developments are not. The land proposed is farmland. Short sightedness will lead to the ruination of prime farmland. Just because we have more people we should not be using farm land as this will be necessary to feed a growing population.

Kind regards
