| Stance:              | Customer objects to the Planning Application  |
| Reasons for comment: |   |
| Comments:            | I strongly object to this application. We cannot cope with more houses and traffic in Meopham. At the moment there are traffic lights near The George on Wrotham Road and the traffic is horrendous. It took me an hour to do a 15 minute journey two days ago. If every house has at least two cars it will be even worse! We end up with gridlocked lanes. It is a nightmare. We do not have the infrastructure. The doctors surgery and schools are at full capacity already. This is a village not a town and it is green belt. We do not want to build on our green fields. We need to find brown field sites for the housing that is so desperately needed. We also have an issue with flooding on the Wrotham Road in heavy rain. So drainage and sewerage would be a problem. Also there is the local wildlife to consider. This is the countryside, full of biodiversity and protected species. You need to find another site to build the houses. This is not the right location. |

Kind regards
