Reasons for comment:

Comments:

- + loss of biodiversity and harmful impact on wildlife
- +insufficient infrastructure and services, increased traffic, lack of public transport, poses a risk to highway and pedestrian safety as the road doesn't have an clear view entry and exit points.

- + Design and Appearance doesn't fit in with neighbouring properties ie those currently built in 1960's and therefore will not meet a village street scene
- +Overlooking and loss of privacy of existing properties
- +Pollution and traffic noise to existing nearby dwellings

I

Kind regards
