Reasons for comment:

Comments:	This site has already been shut down once in 2009- with an injunction out on it I believe. A lasting one! The occupants originally applied for 1 day room, 1 mobile! Now there are multiple applications, they are not using the small piece of land they have managed to secure, illegally made hard standing for many many more mobile homes! There has been regular unwanted behaviour in the area! Blocking lanes, cutting trees (that don't belong to them) rubbish dumping, lone dogs loose, some very young puppies. Making a new entrance on a blind corner on this country lane! All without permission. The occupants of this site already have a long a varied police record- for dumping and illegal vehicles, some with imprisonment. I love where I live, I've lived in this village for almost 20 years, I obey the rules, if I have work done on my house - I notify the council and take the necessary steps to ensure everything is legal and above board! Why is it ok for this site to flout any rules? Cut down trees that don't belong, upset the wildlife, lay huge expanse of hard standing, pay no council tax, tap into water supplies(I believe) block the lane making a danger for anyone in our village getting emergency services to them. Burn noxious substances, ride bikes /carts around the village at speed. Add nothing to this community at all? This needs to be stopped.
