Reasons for comment:	
Comments:	<p>This proposed development is on green belt land.</p> <p>The village has already got infrastructure problems when it comes to local roads being very busy and complete chaos anytime there is an accident or roadworks etc. the narrow lanes are not designed to cope with all the heavy traffic.</p> <p>Additionally, the local GP's struggle to cope as do the hospitals and schools. This site together with the others in the village will just cause a whole lot more pressure to an already stretched infrastructure.</p> <p>On a personal note it would ruin my view and leave my property overlooked. I am not convinced that we need more houses in an already overcrowded village.</p> <p>Any further building will completely ruin the village.</p>

Kind regards
