Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly oppose this application as any building at this location would be detrimental to the village and have a huge impact on the roads, schools and GP Surgery. The local hospital is already at capacity. It will result in an increase in traffic, noise and pollution in an already busy area at certain times of the day. Any building means a loss of countryside and would be visually incongruous with the existing landscape. Parts of Meopham including Camer Country Park (very close to this location) are designated as AONB and listed Metropolitan Green Belt/Scenic Landscape. There is no need for building on Green Belt/Farm Land, it's just an easy and lazy option instead of looking at more suitable locations.

Kind regards
