Reasons for comment:	
Comments:	<p>I strongly oppose this application as any building would be detrimental to the village and have a huge impact on the roads, schools and GP Surgery. The local hospital is already at capacity.</p> <p>There will be an increase in traffic, noise and pollution in an area where it is already very busy at certain times of the day.</p> <p>Any building means a loss of countryside and would be visually incongruous with the existing landscape. Parts of Meopham including Camer Country Park (very close to this application) are designated AONB and listed as Metropolitan Green Belt/Scenic Landscape. There is no need for building on Green Belt/Farm Land, it's just an easy and lazy option instead of looking at more suitable locations.</p>

Kind regards
