Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I'm objecting due to lack of infrastructure to support the number of houses being proposed for the site. The doctor's surgery is already at capacity and the local schools are often full.</p> <p>The main road through Meopham is already incredibly busy and often congested especially around the Camer Parade. The road also often floods causing more problems. The pollution so near to the local schools will also be an issue.</p> <p>Our village is beautiful and unspoilt and more building work will have an adverse effect on wildlife.</p>

Kind regards
