Reasons for comment:	
Comments:	<p>I strongly oppose this planning application. Any building would be detrimental to the village and have a huge impact on the roads, schools and GP surgery. The local hospital is already at capacity. The increase in traffic, noise and pollution in this area would be particularly horrendous/dangerous as it is close to two schools on an already busy junction.</p> <p>Any building means a loss of countryside and would be visually incongruous with the existing landscape.</p> <p>There is no need for building on Green Belt/Farm Land, it's just an easy and lazy option instead of looking at more suitable locations.</p>

Kind regards
