| Comments: | <p>The Local Plan states this is Green Belt. Political battles are going to lead to an environmental disaster; when we have no Countryside, we will lose ecosystems and habitats that have taken years to develop, Agricultural land loss will leave us vulnerable and historically important landscapes and villages will be lost, leaving communities devastated and torn apart.</p> <p>The NPPF exists to prevent urban sprawl, prevent merging of communities and safeguard the Countryside.</p> <p>The proposed entrance is dangerous, especially so close to the parade, a known accident hot spot and in between two busy junctions at Green Lane and Longfield Road</p> <p>Three sites in close proximity must be viewed cumulatively, plus the one at Norwood Lane of 750 houses</p> <p>Consultation is confusing with expiry dates for neighbours one date and expiry another - nobody knows when they need to get their objections in by !</p> |

Kind regards
