| Reasons for comment: |  |
| Comments:            | My daughter has just bought the [REDACTED] going towards Longfield. This road is already very busy due to the two schools which are along the road. At times it is almost impossible to pass all the cars parked here and the additional 120 houses will just add to the congestion & parking problems. That's without the loss of the greenbelt space this proposal is taking away. |

Kind regards
