Reasons for comment:	
Comments:	This proposed site is totally unsuitable for homes to be built on. It is prime agricultural land and is incongruous to the rural character of Meopham. Traffic is already hazardous on that stretch of road on entering Longfield Road by the primary school and Helen Alison School from Wrotham Road. Any development in the area would only cause more hazard and reduce safety of pedestrians and motorists. Wildlife and protected species of animals will be endangered. Light pollution would cause a particular nuisance. There is absolutely no need for these homes to be built. I strongly object to this application.

Kind regards
