## Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The current surgery does not have enough capacity to cope with additional patients. The schools do not have enough capacity to deal with additional pupils. The roads outside the two schools adjacent to proposal are too narrow to cope as it is especially during the school run. The A227 is currently a bottleneck at the join of Longfield road and a danger to pedestrians. There are no viable buss routes.

Kind regards
