Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I live in Meopham and the main A227 road already struggles with heavy volume of traffic at peak times and there are frequent temporary traffic lights where work is being carried out somewhere along the road. The additional traffic from 350 homes will cause further traffic mayhem and pollution and possible accidents. Plus the current drainage system can not cope now with heavy downpours so adding more homes feeding into the drainage system will not help. Lots of thought needs to go into the infrastructure of all the facilities in the current area.</p> <p>The 350 homes on this land will add to the loss of greenbelt that needs to be protected for future generations to enjoy and this will have an impact on the biodiversity and wildlife that we need to protect.</p> <p>I strongly object to this development.</p>

Kind regards
