Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Destroying land and green belt unnecessarily, and moving mobile homes onto land with the intention of not caring that the land had already had planning issues. The lack of care at current states the nature of the individuals moving onto the land, with the likelihood to destroy more land and ignore notices/injunctions from the local council regardless. Surely this is a telling sign already. Please do not allow this to go ahead.

Kind regards
