FAO: Lisa Williams

Dear Lisa,

County of Kent Act 1981 Section 53

Re: The Maltings, Lower Higham Road, Gravesend, Kent, DA12 2LY

Thank you for your documentation dated 25 April 2023, your reference 20221187-SCON3, regarding means of access for the Fire and Rescue Service.

I can confirm that on this occasion it is my opinion that the emergency access requirements for the Fire and Rescue Service under the above Act appear to have been met.

Fire Service access and facility provisions are also a requirement under B5 of the Building Regulations 2010 and must be complied with to the satisfaction of the Building Control Authority. A full plans submission should be made to the relevant building control body who have a statutory obligation to consult with the Fire and Rescue Service.

If you require any further advice please contact this office using the details above. Please be aware that the Building Safety office hours are 09:00-17:00 Monday to Friday.

Yours sincerely,

Lee Orton
