KEY PLAN

SIGNIFICANT HEALTH AND SAFETY RISKS (UNUSUAL AND DIFFICULT TO MANAGE ONLY)
It is assumed that all works will be carried out by a competent contractor working, where appropriate, to an approved method statement. In addition to the hazards listed normally associated with the type of work detailed on this drawing, note the following:

DO NOT SCALE OFF THIS DRAWING
This scheme is subject to town planning and all other necessary consents. Dimensions, area and levels where given are only approximate and subject to site survey. All dimensions are to be checked on site. Any discrepancies or variations are to be reported to the architect before work commences. Figured dimensions only are to be taken from this drawing.

This drawing is to be read in conjunction with all relevant consultants and / or specialist drawings. Documents and any discrepancies or variations are to be reported to the architect before the affected work commences. Magnetic media does not constitute contract documentation and updates of the data will occur. These files are current as of the date of issue. Your use of the content of these files is at your own risk. Leslee Jones should always be made to the hard copy which is superior to the digital format. Any document produced by professionals which contains part or all of this data remains your responsibility and attributed to yourselves. Whilst Leslee Jones make every effort to ensure that it is accurate for issues, we cannot guarantee that it does not contain any.
