Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I highly object to the further development of housing within Highams beautiful fields. Higham is already largely developed leaving but a few wonderful pockets of accessible countryside left for those residing in this small village. Higham is a small community and having roads destroyed/dirtied/taken up by large lorries for years on end in order to squeeze housing into the fields that remain here would be a direct disrespect and terrible shame to those that live here. The local area cannot realistically sustain more housing development. Increased traffic would suffocate Highams roads ()

Kind regards
