Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object this planning application to safeguard our countryside, protect our wildlife our ancient ecosystems, the birds and mammals and habitats will be devastated. We do not want our villages turned into towns as well as our communities being shattered by excessive impacts on our local amenities which are already overloaded. Our doctors surgeries are already at full capacity. Increase of traffic plus local driver vehicles, more pollution. Also more light pollution. Train station cannot cope no lift for disabled and mothers with prams, Major flooding issues. Drainage of sewage major issue. These applications to build all these houses in this lovely village is totally unacceptable to sum this up it's just about greed with no thought and could not care less about the impact on villagers quality of life. This is why we want to live in places like Meopham for quiet peace and tranquility.

Kind regards
