Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	having lived in Meopham for 22+ years I know first hand the struggles of traffic in the village, one small issue on the A227 and the whole village comes to a halt. With the added traffic the road would not cope, it barely survives at it is. Not to mention everything else which lacks the capacity for additional housing. Meopham doctors have already said they cannot take anymore patients. Darenth valley wait times are astronomical. The local schools, primary and secondary, all have waiting lists. Istead rise dental surgery is on a waiting list. There are no where for the people in the new houses to go.

Kind regards
