Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Given that Higham Surgery has closed down, that Highparks Medical Practice is wildly over subscribed, that our diminishing green spaces are consistently being built upon for financial benefit for the 1%, that the environmental impact of such housing will be immeasurable, that Higham isn't need of any further housing and that the fate of the local wildlife is just being massively disregarded, I strongly feel that there is no place for this development in Higham.

Kind regards
